November 2017

Dear Sixth Grade Parents,

We are pleased to announce that plans are underway for your child's attendance at Camp Cuyamaca the week of **January 29- February 2, 2018**. Trained outdoor-education teachers will work with students as they learn about conservation, nature, science, and related subjects in this exciting and beautiful environment. Many of our CMS 6th grade teachers will accompany the students to camp for the entire week.

The cost for the camp program is \$380.00. This charge includes the camp registration fee, food, lodging, insurance, and transportation to and from camp. If you need financial assistance or arrangements to make payments, please contact CMS Administrative Assistant, Ms. Dollyanne Hutchins, and submit your request in writing. We will do everything we can to accommodate your individual needs so that your child will not miss this wonderful opportunity. The cash payment or check for camp can be made **payable to Coronado Middle School** and must be **returned to the CMS office by Tuesday, January 16, 2018**.

The attached Health and Registration form will need to be completed (both front and back) and signed by the parent AND student and must be returned to CMS by Friday, December 8, 2017. Any student who requires medications, nutritional supplements, including vitamins, that are not included on the pink health form, **MUST complete and turn in the medical authorization form signed by a doctor by January 5, 2018**. **All medications must be labeled with student name and school and placed in a Ziploc bag. This bag must be turned in to CMS Nurse McMahon no later than January 22nd.** The medical authorization form has been emailed to you and can also be found on the CMS website under "Activities" and at the bottom of the "6th Grade Camp" website page.

Note: Students may not pack medication in their own luggage – it must go to camp through our CMS nurse.

Parents and interested community members are welcome to sponsor scholarships for additional children to attend camp or make charitable donations for school programs so we can make experiences like camp a reality for every child. Please remember, your support of sending a child to camp and making donations for school programs are considered charitable contributions and fall under categories for tax benefits. To learn more about supporting students and programs at CMS, or for any questions about 6th Grade Camp, please contact Dollyanne Hutchins at 619-522-8921, ext. 3097, or at: Dollyanne.Hutchins@coronadousd.net
