Cuyamaca Outdoor School

5th / 6th Grade Camp

Our Philosophy

“That which can be learned in the classroom should be taught there, and that which can best be learned in the out-of-doors should be taught there.”

--LB Sharp, 1943

Environmental Education Goals

- Appreciation of nature
- Understanding of science concepts
- Commitment to live more lightly on the Earth

Social Growth Goals - ICARE!

- Integrity
- Cooperation
- Attitude
- Respect
- Esteem

Nature Studies and All Day Adventures

Hiking, exploring nature, and hands-on activities are a fabulous way to learn about science in a new way! We correlate with Next Generation Science Standards and students are involved in numerous citizen science projects.

Wilderness Recreation Activities Program

During a 5-day stay, the students enjoy archery or rock climbing, geocaching and a low elements challenge.
