ON-CAMPUS REOPENING PLAN
CORONADO MIDDLE SCHOOL

Instructional Minutes Requirements

Kindergarten	180 minimum daily minutes
Grades 1 – 3	230 minimum daily minutes
Grades 4 – 12	240 minimum daily minutes

Dear Families,

We are excited to welcome your student back to campus. Below you will find an overview of the on-campus cohort procedures and logistics that will help ensure we are able to get your children safely on and off campus each day. Please familiarize yourself with these procedures and general safety protocols that are based on the most up to date guidelines from CDC, state and local public health, and Board Policy. Please understand that adherence to these guidelines is what allows us to be open and bring kids back to school in-person. Your support in making sure these guidelines are followed is greatly appreciated. Please refer to the [CUSD Safe at School Reopening Plan](#) for more detailed information related to health and safety protocols.

BELL SCHEDULE CMS will follow the BRIDGE schedule for students participating in on campus experiences and students 100% online learning/BRIDGE.

CORONADO MIDDLE SCHOOL
August 2020: BRIDGE Schedule

	Monday	Tuesday	Wednesday	Thursday	Friday
Time	Student work from prior week due by 3:05 PM	Attendance will be taken at the start of class			
8:20 AM	T3 KCMS, activities and navigating BRIDGE Attendance taken	Per 1 8:20-9:50	Per 4/5 8:20-9:50	Per 1 8:20-9:50	Per 4/5 8:20-9:50

1:00 PM 1:30 PM	*Student group Zoom with Principal, and/or Asst. Principal and/or Counselors				

*Students will be notified regarding focus group attendance and student group Zoom

ARRIVAL/DEPARTURE TIMES, MAPS & LOGISTICS: As cohorts return to the site, parents will receive detailed information regarding student arrival/departure gates and protocols. The email will include the following information:

Cohort Name:

Teacher:

Period:

Class Days and Time:

Arrival Time:

Entry and Exit Gate D:

*Students arriving after a class period has begun must enter through Gate A - front doors of CMS on F Avenue

Departure Time:

Staff will greet students at their assigned gate. **Please adhere to the gate and arrival time listed above.** Follow the social distancing signage stickers on the ground and around campus, and make sure your mask is covering your nose and mouth. After being checked in, students must walk directly to class.

- If a student rides a bicycle to school, he/she will not be able to go directly to the bike racks. Students will wait in line to be checked in at their assigned gate. They will then park and lock their bicycle in the bike rack area and go directly to their classroom.

To maximize physical distancing upon entering campus, students will be assigned to enter through the following gates:

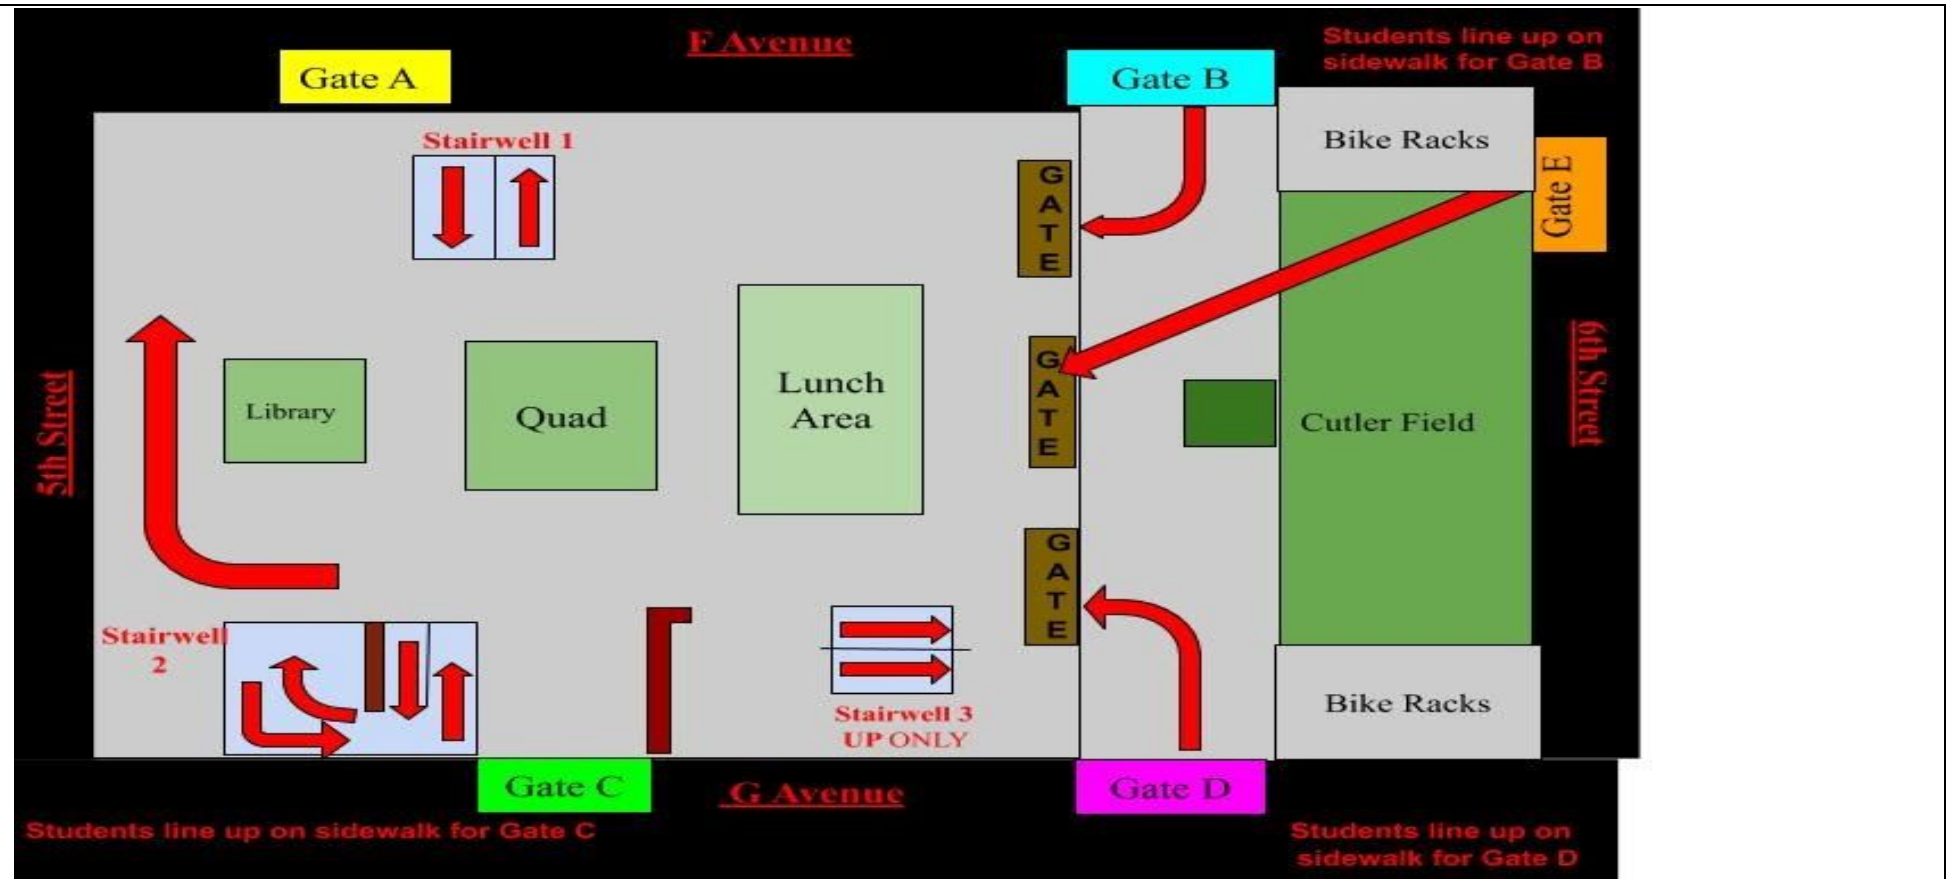

- Gate A- Front Door
- Gate B- Bike gate F Avenue
- Gate C- Gate on G Avenue
- Gate D- Bike gate G Avenue
- Gate E- Culter Field gate

Students are to line up according to signage at the gate

Students will go directly to their classrooms. They will not hang out in the quad or on campus.

A staff member monitoring each gate to welcome students, do a “wellness check,” remind them to physically distance, have their mask on, (park their bicycles) and walk straight to their classrooms.

Parents are not allowed to enter campus with student. Campus is closed to all non essential visitors.

DAILY SYMPTOM SCREENING

Student Policy:

- **Parent/Guardian has completed the Health and Safety Agreement for In-Person Instruction.**
- The Health and Safety Agreement for In-Person Instruction **must be brought to school on the first day of in-person instruction or emailed to CMSinfo@coronadousd.net.** By signing the agreement, parent agrees that their student is symptom free and does not have a temperature greater than 100.0 degrees.
- Parent must keep student home when experiencing any of the COVID-19 symptoms identified by the CDC.
- The Agreement can be found at this link [Health and Safety Link](#)

COVID-19 Symptoms:

Kid-Friendly Version	Adult Version
<i>Yesterday or today, have you, or someone living with you, had:</i>	<i>Within the last 24 hours, have you, or someone living with you, had:</i>
Fever greater than 100.0	Fever greater than 100.0 F
Chills or feeling sick	Chills
Cough or difficulty breathing	Cough
	Shortness of breath
	Difficulty breathing
Feeling really tired	Fatigue
Head hurts	Headache
Feeling "achy"	Muscle or body aches
Not able to taste or smell	New loss of taste or smell

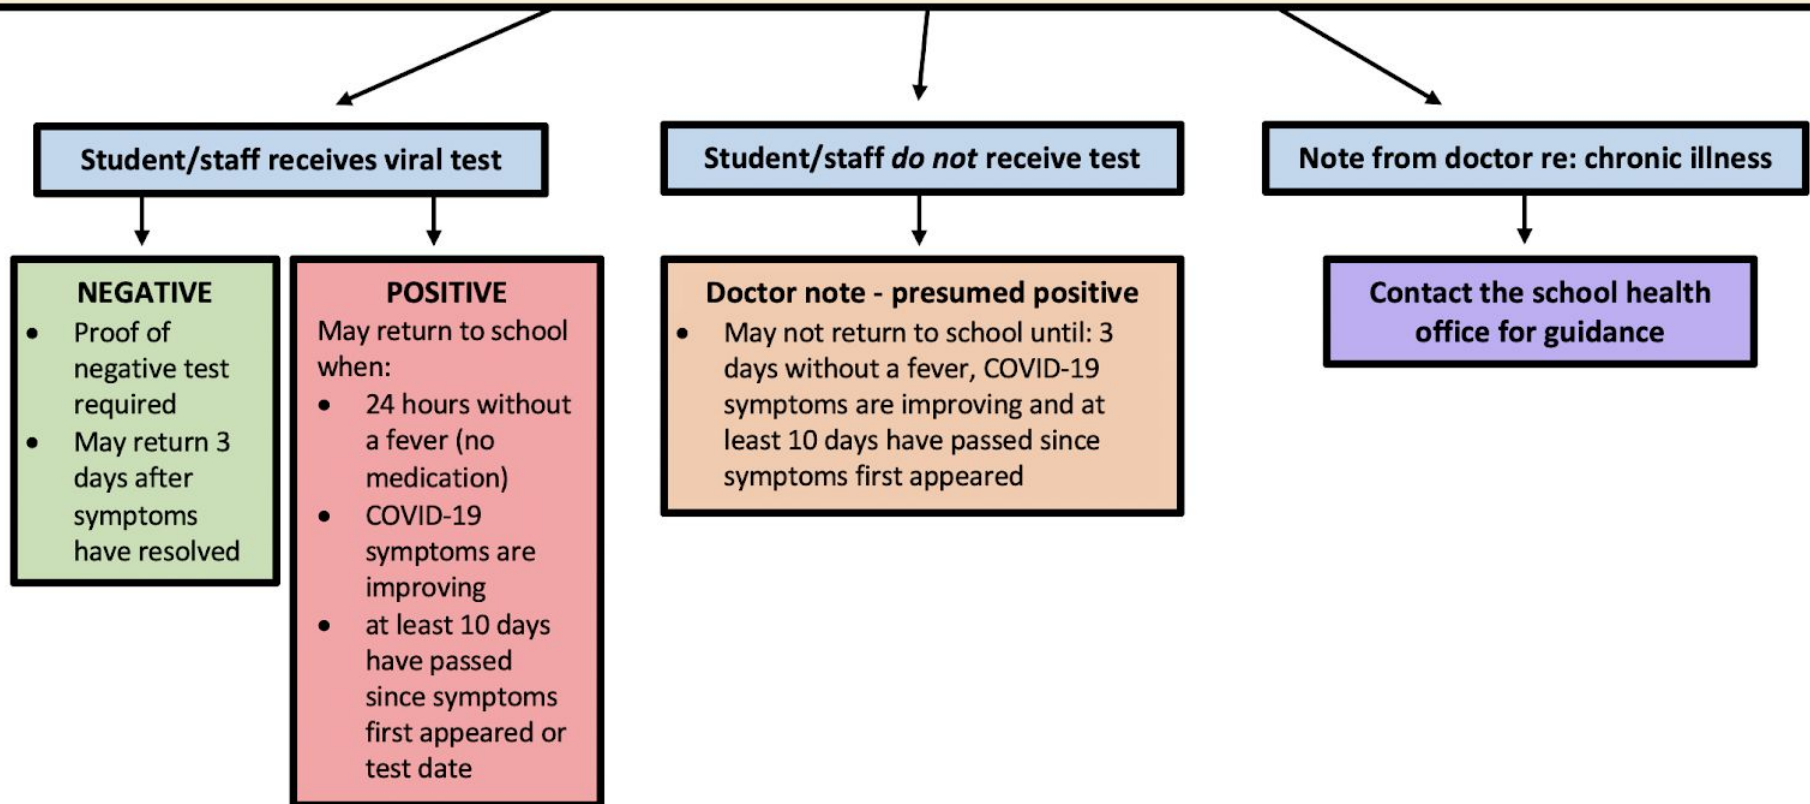

Staff Policy:

- CMS staff have completed the Health and Safety Agreement for being present in the school building.
- Staff members must stay home and contact their supervisor when experiencing any of the COVID-19 symptoms identified by the CDC.

RESPONSE TO COVID-19 SYMPTOMS AT SCHOOL

At school, if a student or staff member develops any one of the following symptoms (symptom is new and not directly related to a chronic, pre-existing condition that causes the symptom, of which school personnel is already aware), then the student/staff is to stay home until...

- fever greater than 100.0 degrees
- chills
- cough
- shortness of breath
- difficulty breathing
- fatigue
- headache
- muscle or body aches
- new loss of taste or smell
- sore throat
- congestion or runny nose
- nausea or vomiting
- diarrhea
- close contact with someone testing positive for COVID-19

- **Classroom cohort closes** if 5% of students and teachers in a classroom test positive for the virus, followed by 14 days of quarantine
- **School closes** if students and teachers experience a 5% positive testing rate followed by 14 days of quarantine
- **District closes** if 25% of schools in the district are closed (for CUSD, that is one school)

PHYSICAL DISTANCING & COHORTS

Students will stay with the same class/cohort. Every effort will be made to minimize interactions between cohorts.

All students and staff are expected to practice social distancing whenever practicable. All activities must allow for physical space between staff and students. Physical distancing signage and markers will be displayed/posted throughout the campus to remind students and staff to physically distance. Students are expected to physically distance themselves as much as possible in the following settings (six feet as practicable):

- Arrival to school and departure from school
- Inside classrooms (all classroom furniture will be arranged to provide for physical distancing)
- Outside during breaks (playgrounds are not available at this time; other physical stretch breaks/'recess' activities will be provided)
- Inside restrooms
- During all campus activities

FACE COVERINGS

All students in grades TK-12 and staff are ***required*** to wear a face covering at all times while on the school campus. This is one of the conditions for reopening to in-person instruction. There will be masks and face shields available and provided to students or staff who do not have a face covering. Following the most recent guidelines from CDPH, vented masks, bandanas and gaiters are not permitted, as they offer less protection.

LUNCH

Lunch will ***not*** be provided on campus. Instead, the Child Nutrition Department will continue to distribute meals on a weekly basis.

SANITATION

CUSD has increased cleaning and disinfecting practices in order to reduce the spread of germs and protect against a potential COVID-19 outbreak. Strategic efforts will be made to decrease the use of common areas such as leaving doors open, instead of multiple hands opening and closing doors. Desks, classrooms and common use areas will be cleaned and disinfected daily and in the evenings. Additional sanitation measures will include routines for frequent hand washing and use of hand sanitizer.

DRINKING FOUNTAINS

Drinking fountains will not be available. There will be water filling stations on campus. Please be sure to provide a water bottle to your child each day.

TECHNOLOGY

Students should bring devices to school. Computer (personal or school-owned that you checked out) If you do not have a computer, we will provide students with a Chromebook to check out. You will need to complete the check out form [Technology Check Out Request Link](#) so your student can bring this computer back and forth to school.

CLASS MATERIALS

The following items are permitted to travel between home and school:

- Backpack/Tote Bag
- Teacher required materials (please refer to grade level chart below)
- Water bottles
- Snack
- Sweatshirt/jacket/sweater

The following items will not be permitted at school:

- Toys
- Blankets
- stuffed animals
- electronics
- non-recommended school supplies

Teacher Required Materials to Bring to School

Grades 6-8

Students should bring a backpack with the following:

- Computer (personal or school-owned that you checked out) If you do not have a computer, we will provide students with a Chromebook to check out. You will need to complete the check out form [Technology Check Out Request Link](#) so your student can bring this computer back and forth to school.
- Headphones
- Agenda
- Pens, pencils
- Paper
- Water Bottle

Supplies will not be shared.

TRAINING

All staff and students will receive thorough training on campus health and safety protocols and procedures (hand washing, sanitizing, arrival and departure procedures, social distancing, etc.). Parents should also reinforce these routines and behaviors at home. Teachers and parents can use the following videos for educational training purposes:

- [How to Properly Wear a Face Covering](#)
- [Handwashing](#)
- [Social Distancing](#)
- [COVID-19 Videos for Kids and Parents](#)
