7th and 8th Grade Physical Education Online / Hybrid Classes for 2017-2018

Dear 2017-2018 7th and 8th Grade Families,

In an effort to continue to provide our students with educational opportunities, CMS will be offering an 8th grade **and** a 7th grade technology based online / hybrid learning physical education class for the 2017-2018 school year. The course ensures that mandated requirements for grade 8 and grade 7 physical education are met while providing flexibility for students. Flexibilities allow for physical education activities to occur outside of the school environment with mandated check-in requirements, as well as required standards-based written work and assessments. Please note that the classes will be limited in enrollment. If there are more interested students than space available, your child will be placed on a wait list and registered for on campus P.E.. Information regarding the classes is as follows:

- **Class time:** Period 7: Mon., Tues., Thurs., Fri., 2:03pm -3:00 pm and Wed. 12:39 pm- 1:20 pm.
Students will be dismissed from school at the end of period 6, except for approximately two days per month at which time students will have on campus class with their teacher. On these days, students will be required to remain on campus until the end of period 7, 3:00pm or 1:20pm on Wednesday. These check-ins days will be calendared at the beginning of the school year.
- **Transportation:** CMS will not provide bus service at the end of period 6. Please note, the expectation is for parents to transport or be comfortable with the mode of transportation your child will use to and from class.
- **Location:** Students will complete their online course work at home. Scheduled required class meetings will be held on CMS physical education facilities.
- **Commitment:** This P.E. course meets mandated physical education requirements and has been developed to provide flexibility and an alternative learning opportunity. It is strongly encouraged that students have good organizational and time management skills and keep up with their course work.

The request form is due to your son/daughter **P.E. teacher by Wednesday, 5/31/17. It can be found below.**

As always, we appreciate your support and commitment,

Karin Mellina, M.Ed.
